The Principals' Forum

The Principal's Role in Supporting
Continuous Improvement

February 3 - 4, 2010
Tampa Bay area (Florida)

Conference attendance at no charge to JSA clients!
Limited space – by invitation only

Reserve space early—space is limited!

As a JSA client, you are invited to reserve space in this information-filled two-day event ***specifically designed for principals and those who lead principals***. This session provides an opportunity for principals to learn from other principals as well as experts in using a systems approach to school improvement, engaging staff in improvement implementation, and achieving positive student results with the use of continuous improvement practices. Please register by ***December 18, 2009***.

Benefits of Attending:

- ✦ Focus on key strategies and improvement of the school leadership system.
- ✦ Network with other principals who are aggressively implementing a systems approach to school improvement.
- ✦ Hear educational practitioners share best practices to increase student achievement.
- ✦ **JSA clients and invited guests attend the forum at no charge - including materials** (participants are responsible for their own travel expenses).
- ✦ Meet at a conference/hotel site that is conveniently located near Tampa airport.

Call or email the JSA office now to reserve your space!
